

Dear FCC
Commissioners,

Stations like
Sinclair use the
public airwaves free
of charge, but in
return, they should
serve the public
interest.

Having the corporate
executives at
Sinclair MANDATE
that their stations
air an anti-Kerry
program over the
best judgement of
their local news
departments is not
in the public
interest.

This is an example
of how media
consolidation works
against our
democracy.

If you care about
democracy, you
should require that
Sinclair have a
balanced view of
candidate coverage,
or if they refuse,
you should suspend
their broadcast
license.

Regards,

John Canfield
